Golden Key Homes was founded in 1962 by Denver natives. The company grew into a major homebuilder constructing several thousand homes located throughout the five county Denver Metropolitan Area.

Cherry Creek Vista, The Hills, and now the Hills East are the culmination of Golden Key Homes’ extensive development and construction experience. Utilizing exciting architecture, state of the art features, and quality craftsmanship, Golden Key Homes has now created the lifestyle of the ’90s.
Two story homes featuring 4 bedrooms, 3 1/2 baths, 3-car garage

Garage: 3-car; panel doors; fully drywalled

Roof: Cedar shake roof; 12/12 pitch and 8/12 pitch

Basement: Full basement with roughed in plumbing and electrical; 9" foundation walls; interior perimeter drains with sump pit

Framing: Kiln dried lumber

Insulation: R-13 wall insulation; R-30 ceiling insulation; poly film vapor barrier; foamed window and door penetrations throughout the house

Windows: Pre-primed wood; double hung; wood grids on front elevations; screens; insulated glass throughout including basement

Furnace: Model 100-1, 500 and 600, 150,000 BTU forced air furnace; Model 200, 300 and 400 split system for main and second floors, totalling 200,000 BTU’s with two separate furnaces

Exterior Doors: Insulated steel with deadbolt locks and brass levers; front door with transom and sidelights

Interior Doors: Four or six panel colonist doors throughout (with divided-lite glass doors in select areas); brass levers

Flooring: Oak flooring in entry, kitchen, nook and other select areas

Ceilings: 9 feet or higher in most first floor areas; coffered dining rooms (certain floor plans) and clerestories at entries and family rooms; vaulted master bedrooms

Water Heater: 50 gallon high recovery hot water heater

Closets: Walk-in closets in master bedrooms and some secondary bedrooms; custom built-ins in bedroom closets

Carpet: Quality nylon, with stain protection, 1/2 inch rebond pad

Lighting: Exterior and interior lighting packages including white switch and outlet plates; recess cans including “cat eye” recess cans in select areas; brass “hollywood” lighting in master bath; brass and porcelain (or all brass) chandeliers (entry, dining room and nook); brass wall sconces; hanging pendant fixtures in many floor plans; exterior coach lights (front yard); post light with photo cell; exterior rear and side lights
